

Frozen Ready Made Meals

---

## **Ready Made Meals**

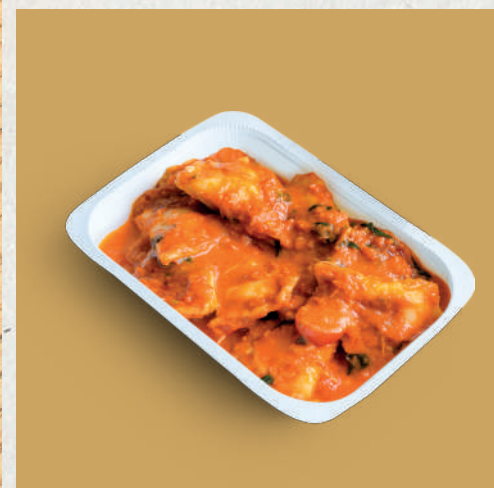

**Quality Ingredients, Maximum Taste  
and Zero Effort required.**

---

With never-ending to-do lists, everyday life has become hectic and the last thing consumers want to think about is cooking. Providing maximum taste and requiring zero effort, the range presents numerous dishes to suit the taste buds of every family member. Frozen from fresh and packed with nutritious, quality ingredients, these scrumptious dishes are inspired by the world's most loved cuisines: be it Mediterranean, Italian, Thai and Middle Eastern.

A meal to serve every need and week of the day, be it a balmy summer night or a cosy night in winter. Those on-the-go can simply pop these tasty dishes into a microwave and voila... there's an instant meal. Each meal comes in a microwave safe container, whilst some utilise the innovative Torus Pak® technology, ensuring a flawless presentation as it opens conveniently from the bottom with the help of a seal, plating the meal with true chef-like excellence.

## Ricotta Ravioli in Tomato and Garlic Sauce

A steady favourite for all the family, this authentic ravioli dish uses simple ingredients, providing a distinct taste that will transport you to Italy on your first bite.

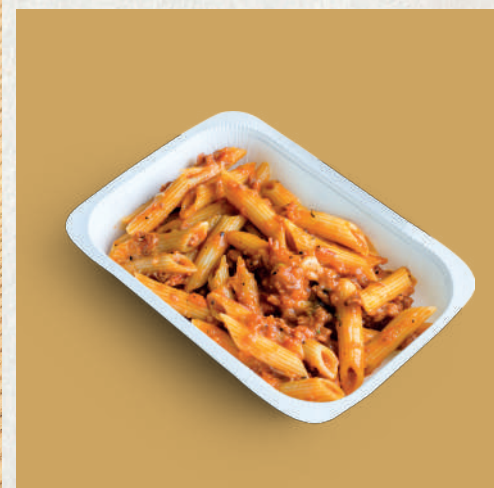

---

---

Serving Suggestion

## Chicken Korma with Rice

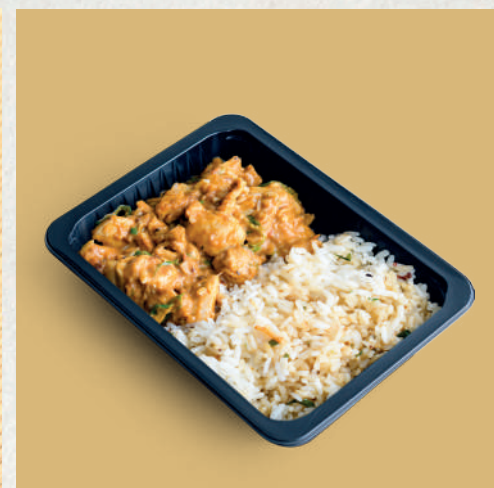

This world-renowned Indian dish contains a melody of aromatic spices, such as ginger, cumin and coriander infused in a thick sauce. A surprisingly great taste that will give any favourite Indian take-away a run for its money!

---

Net Weight: 350g | Boxes of 24 | 72 boxes in a Euro pallet

Store frozen at -18°C. Pierce the top plastic cover. Heat from frozen in a microwave at a high setting for 8 minutes. Let product stand for 1 minute before eating. Best Before date: 1 year.

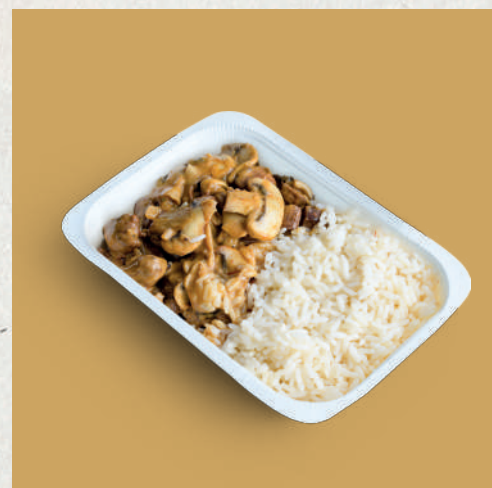

## Chicken Masala with Rice

Popular the world over, this mesmerising dish will tantalise your taste buds. Using only the most authentic Indian ingredients, this healthy dinner is perfect for those days when you are after something special.

Net Weight: 350g | Boxes of 24 | 72 boxes in a Euro pallet

Store frozen at -18°C. Pierce the top plastic cover. Heat from frozen in a microwave at a high setting for 8 minutes. Let product stand for 1 minute before eating. Best Before date: 1 year.

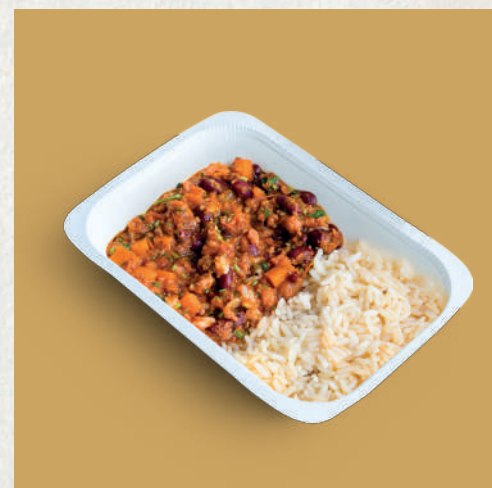

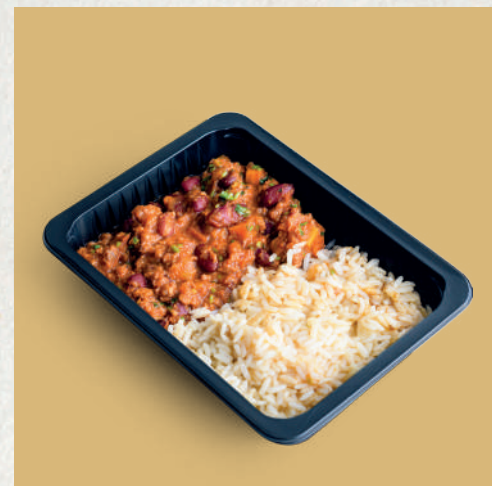

## Beef Stroganoff with Pilaf Rice

This Russian inspired dish provides a soothing dish for an easy supper. Containing generous chunks of meat, this creamy sauce is served with rice which perfectly soaks up its rich qualities.

Net Weight: 300g | Boxes of 24 | 72 boxes in a Euro pallet

Store frozen at -18°C. Pierce the top plastic cover. Heat from frozen in a microwave at a high setting for 8 minutes. Let product stand for 1 minute before eating. Best Before date: 1 year.

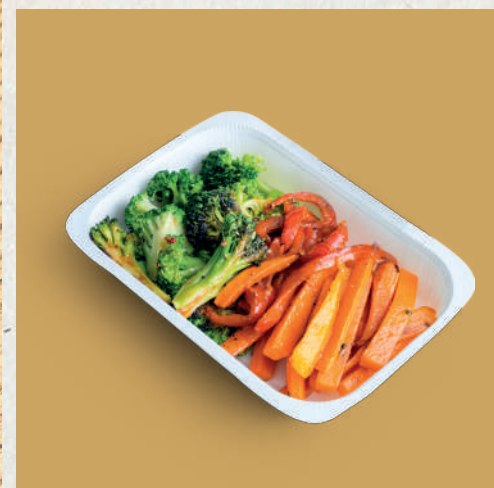

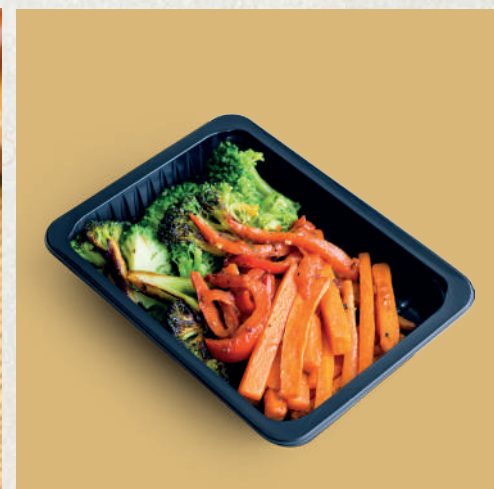

## Beef Chilli with Roast Onions and Rice

Taking off the complexity of this time-consuming meal, the dish provides a perfect balance between the minced meat and kidney beans, vegetables, and accompanying rice. This Mexican and Southern Texas dish is equally satisfying as it is vibrant.

Net Weight: 350g | Boxes of 24 | 72 boxes in a Euro pallet

Store frozen at -18°C. Pierce the top plastic cover. Heat from frozen in a microwave at a high setting for 8 minutes. Let product stand for 1 minute before eating. Best Before date: 1 year.

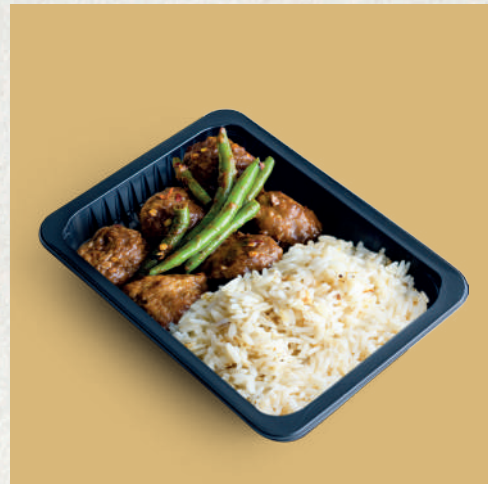

## Roasted Carrots and Parmesan Broccoli

Vegetables do not need to be boring! Especially if you flavour them the way we do, using parmesan, this dish can convert even the pickiest, vegetable averse eaters.

Net Weight: 250g | Boxes of 24 | 72 boxes in a Euro pallet

Store frozen at -18°C. Pierce the top plastic cover. Heat from frozen in a microwave at a high setting for 8 minutes. Let product stand for 1 minute before eating. Best Before date: 1 year.

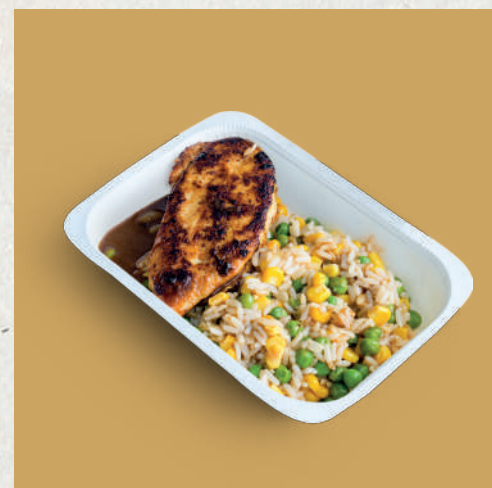

## Thai Beef Meatballs and Green Beans with Rice

Packed with exotic Thai flavours, this colourful, zingy dish is a sure win for all the family. Juicy meat balls and green beans cooked just right in a creamy sauce and spooned over rice.

Net Weight: 350g | Boxes of 24 | 72 boxes in a Euro pallet

Store frozen at -18°C. Pierce the top plastic cover. Heat from frozen in a microwave at a high setting for 8 minutes. Let product stand for 1 minute before eating. Best Before date: 1 year.

## Southern Spiced Chicken Fillets with Rice

Few things hit the spot than a southern spiced chicken fillet. A healthier alternative to the popular fried version, this finger-licking dish bursting with aromatic herbs and spices, is the ultimate freezer staple.

Net Weight: 320g | Boxes of 24 | 72 boxes in a Euro pallet

Store frozen at -18°C. Pierce the top plastic cover. Heat from frozen in a microwave at a high setting for 8 minutes. Let product stand for 1 minute before eating. Best Before date: 1 year.

## Lamb Patties with Sundried Tomatoes, Feta and Crushed Potatoes

Giving a fresh spin to the traditional beef patty, the accompanying baby potatoes, sundried tomatoes and feta cheese give a flavoursome gourmet twist to this tasty dish.

---

Net Weight: 475g | Boxes of 20 | 60 boxes in a Euro pallet | Torus Pak®

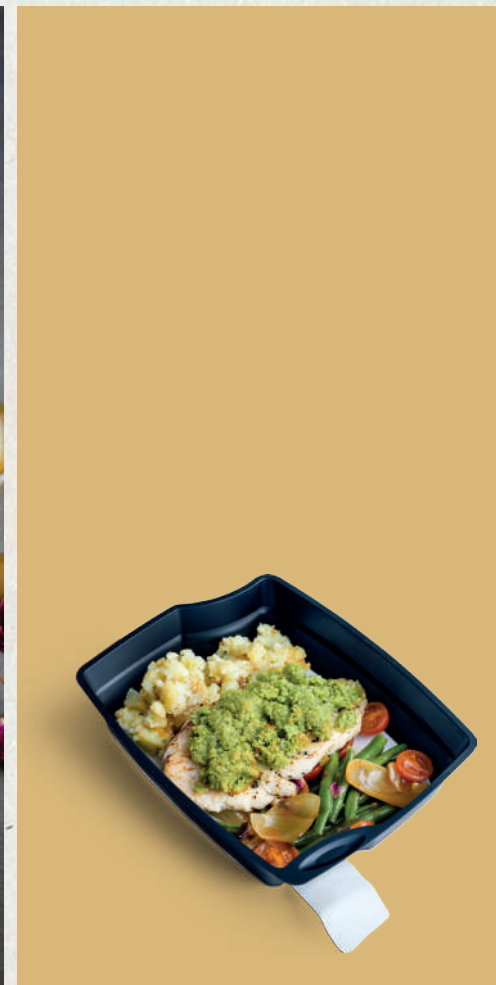

Store frozen at -18°C. Pierce the top plastic cover. Heat from frozen in a microwave at a high setting for 8 minutes. Let product stand for 1 minute before eating. Best Before date: 1 year.

---

\*Serving Suggestion

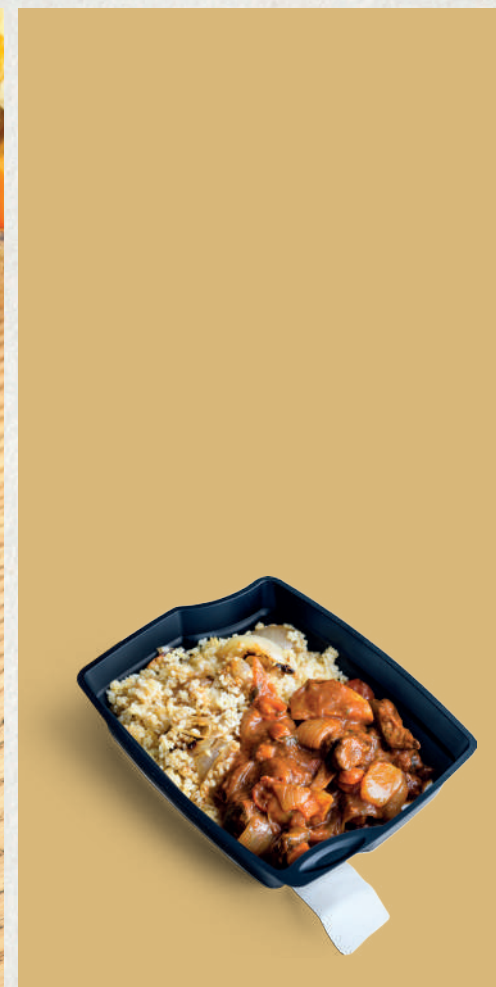

## Herb Crusted Chicken Breast in a Garlic Potato Gravy

Encrusted in aromatic herbs, this chicken is baked to perfection and topped with a lavish gravy. The dish comes complete with a mix of healthy vegetables and potatoes.

Net Weight: 450g | Boxes of 20 | 60 boxes in a Euro pallet | Torus Pak®

Store frozen at -18°C. Pierce the top plastic cover. Heat from frozen in a microwave at a high setting for 8 minutes. Let product stand for 1 minute before eating. Best Before date: 1 year.

## Spicy Lamb Stew with Carrot and Buckwheat

Inspired by the fragrant Middle Eastern cuisine, this spicy lamb stew is equally hearty as it is nutritious with the addition of carrots and a fibre rich buckwheat.

Net Weight: 420g | Boxes of 20 | 60 boxes in a Euro pallet | Torus Pak®

Store frozen at -18°C. Pierce the top plastic cover. Heat from frozen in a microwave at a high setting for 8 minutes. Let product stand for 1 minute before eating. Best Before date: 1 year.

## Fennel Cream Baked Salmon and Sauté Potatoes

Bursting with a myriad of nutrients whilst being low in saturated fat, this baked salmon is sumptuously topped with a rich fennel cream and accompanied by elegant sautéed baby potatoes, carrots, and broccoli.

Net Weight: 500g | Boxes of 20 | 60 boxes in a Euro pallet | Torus Pak®

Store frozen at -18°C. Pierce the top plastic cover. Heat from frozen in a microwave at a high setting for 8 minutes. Let product stand for 1 minute before eating. Best Before date: 1 year.

## Grilled Sea Bream with Olive and Caper Caponata

This flavourful Sea Bream is accompanied by a Mediterranean inspired caper caponata, an interesting way to up your vegetable intake and transport you, albeit momentarily, to the shores of the Mediterranean.

Net Weight: 450g | Boxes of 20 | 60 boxes in a Euro pallet | Torus Pak®

Store frozen at -18°C. Pierce the top plastic cover. Heat from frozen in a microwave at a high setting for 8 minutes. Let product stand for 1 minute before eating. Best Before date: 1 year.

The Food Factory is the natural development of the original James Caterers Ltd. business, the brainchild of James Barbara. It has a proven track record of success stories since its inception in 1989. James went on to transform a one-man catering business from where he produced and distributed his own delicacies from home, later flourishing into one of the largest and most renowned catering companies on the island. He strives for excellence, promotes innovation, consistency, efficiency, and is committed to using the finest ingredients and delivering good value for money. Such selective ingredients coupled with forethought, the right dosage of creativity and a touch of class have given The Food Factory's Frozen Ready Made Meals collection a name that clients can trust.

Today the company has set a standard of excellence and creativity that has significantly attracted international awareness abroad. This versatility has, throughout

the years, acquired The Food Factory an invaluable experience, thus giving the company an advantage from where it can look ahead to a bright and prosperous future, both locally and overseas, through its Frozen Ready Made Meals range.

The group which today employs more than 3,000 employees across the different businesses continuously develops its business to meet the clients varying diets, tastes and culinary desires. Together with a team of professional specialists, the company guarantees the highest industrial catering standards and all related services through its modern, state-of-the-art development and manufacturing facilities.

James Caterers Ltd through The Food Factory, offers its private label business customers the vision and commitment towards a continuous growth and improvement designed to meet any requirements.
