

GLUTX[®]

GLUT X® Gluten-Free products

Great Quality and Delicious Taste.

With up to 6% of the world population suffering from a gluten intolerance or celiac disease, food producers are fast recognising the importance of serving this client base through convenient and high-quality products.

Living with a gluten allergy or intolerance can be frustrating, not to mention the pain and disturbance it can create in one's life. Such consumers, often find themselves entering a store only to find a limited number of choices. GLUT X® changes this by providing gluten-free options of great quality and taste. Produced in a certified kitchen, the range presents a variety of breads, savoury pastries, and sweets – perfect for any occasion. These heavenly products, gain their inspiration from Mediterranean, British, Italian as well as Maltese cuisines.
